22nd November 2022

Report of eye camp held at Baple, Alibaug on 20th November 22

As has been the practice, our team comprising of a monastic member, Ophthalmologist, Matron, nurses, Optometrists, Ophthalmic assistant, volunteers and driver served the villagers of Baple in Alibaug taluq. The activity was coordinated by Mrs.Veena Talreja. The presence of an ENT surgeon, Physician and Spirometrists were added features of this camp.

The camp date was notified to the villagers by handbills and announcements were made using public address system. Details of the camp were also displayed by banners at prominent places in and around the villages.

Pamphlets / Handbill distributed in the local area before the eye camp

Banners placed at prominent places in the village for dissemination of information before the eye camp

Our team started by 6:15 am in our tempo traveller along with the necessary screening tools and medicines. On reaching the camp by 9:30 am, after a quick refreshment, the entire team, villagers and patients assembled for a brief prayer before the camp activities began.

Total number of patients shortlisted for surgery 50

After evaluation of patients, our team after having lunch provided by the villagers returned back to our base hospital by 7:30 pm.

We would be failing in our duty if we do not acknowledge the untiring efforts of the organizers of the camp - volunteers of Sri Ramakrishna Vivekananda Sevasamithi of Alibaug and the villagers of Baple who had prepared the ground which ensured that camps could be carried out smoothly.

Yours in Sri Ramakrishna
